

Science North is a science centre recognized world wide for its innovative approach to making science fun! Our mandate is to serve all of Northern Ontario and to be more accessible, in May 2010, we will open a new office in Thunder Bay, from which we will deliver programming in Northwestern Ontario. We are currently recruiting for the following positions.

Staff Scientists – Thunder Bay - \$41,745 - \$69,575

Staff Scientists will be key members of the Education and Northern Programs team, leading and supporting programs and initiatives out of our Thunder Bay office. Staff Scientists will focus on the development and delivery of Outreach school programs and experiences. Job Number 1-023

Science Communicator – Thunder Bay - \$ 27,448 - \$45,747

The Science Communicator will support the efforts of and take direction from Staff Scientists in the development and delivery of programs and services from our Thunder Bay location. Responsibilities include participation in the development and delivery of science experiences in Thunder Bay and in Northwestern Ontario. Job Number 1-024

Science Demonstrators – Thunder Bay - \$10.00 /hour

Science Demonstrators will work out of our Thunder Bay offices and travel to other locations supporting the implementation and delivery of Outreach and camp programs. Job Number 1-025

For full details on responsibilities and requirements and to apply, visit sciencenorth.ca/employment, quoting applicable job number. Deadline for applications is **February 19, 2010**. Science North thanks all interested candidates; only those selected for interviews will be contacted.
