

The Thunder Bay Regional Research Institute, along with the Thunder Bay Regional Health Sciences Centre, is pleased to introduce the newly integrated Translational Research Program. This program will link bench research to the patient through clinical trials.

We are currently seeking candidates for the following position:

**REGULATORY & QUALITY ASSURANCE COORDINATOR**

Permanent, part time position (FTE 0.5)

Under the direction of the Director of Translational Research, the Regulatory and Quality Assurance Coordinator (RQAC) will be responsible for the implementation and maintenance of the regulatory and quality assurance processes for the Translational Research program, in collaboration with the Thunder Bay Regional Health Sciences Centre and the Thunder Bay Regional Research Institute. This includes the implementation of quality assurance standards, including the assessment, adherence and education to such standards based on current regulations.

The ideal candidate is highly dedicated and organized, with the ability to multi task in a fast-paced, diverse, and growing environment. Excellent organizational, negotiation, time management and communication skills are required. Must have an understanding of GCP and ICH regulations and clinical trial monitoring, with an emphasis on regulatory process and compliance. A Bachelor's degree in healthcare, quality management or related discipline, or a minimum three years research experience with a focus on research quality assurance and compliance is preferred. Society of Clinical Research Associates or Certified Clinical Research Professional certification is also preferred

To be considered for this position, please submit your resume with a cover letter by Friday, August 27<sup>th</sup>, 2010, by 5 p.m., to:

**Tanya Niederer, HR Officer**  
**Thunder Bay Regional Research Institute**  
**980 Oliver Road, Room #2163**  
**Thunder Bay, ON P7B 6V4**  
**e-mail: [niederet@tbh.net](mailto:niederet@tbh.net)**  
**fax: (807) 684-5800**

We thank all candidates for their interest; however, only those selected for an interview will be contacted. We are an Equal Opportunity Employer.
