Thunder Bay, Ontario, P7B 6T9  
www.nap.com

Lac des Iles Mine is a major producer of platinum group metals. The mine is located 100 km northwest of Thunder Bay, via Highway 527. The mine is currently seeking an:

## **UNDERGROUND MINE SUPERVISOR (Job #10-20)**

U/G Mine Supervisors must have mine development experience and several years experience in hard rock mining. Applicants must have demonstrated leadership capabilities, the ability to communicate in diverse situations, and must have a minimum of 5 years at a supervisory level, in a mining environment

## **UNDERGROUND MINERS (Job #10-21)**

The mine is currently seeking Construction and Production Miners, preferably with blasting experience, to expand our workforce. Successful applicants must be certified in Common Core for Basic Hard Rock Underground Mining with a minimum of two (2) years experience. Mine rescue experience would be a definite asset.

The Company offers a competitive wage, benefits, R.R.S.P. plan, and free room and board, in a modern alcohol free camp setting while at the site. The schedule for these positions will consist of twelve (12) hour shifts, on a seven (7) days in and seven (7) days off rotation. You are responsible for your own transportation to and from the site.

Resumes with references are to be emailed to vbryan@nap.com (preferred) or by fax to 807-448-2088. Please include the job number on the upper left hand side of your resume and include it in the subject line for email response.

Deadline: Until positions are filled. Please note, that all job offers are conditional upon successful completion of a pre-employment medical which includes drug and alcohol testing.

We thank all applicants for their interest; however, only those selected for an interview will be contacted.
